

Small Business Sponsor Opportunities

If event sponsorship isn't within reach for your small business, we invite you to engage with us in a variety of other low-cost ways:

- Donate a percentage of sales to Partners for Peace during Domestic Violence Awareness Month in October.
- Create a Domestic Violence Awareness Month window display*.
- Advertise our 50th celebration event at your business location or on your website.
- Ask your customers to donate items on the Partners for Peace wish list.
- Raffle a piece of merchandise and donate the proceeds to Partners for Peace.
- Share links to Partners for Peace and our 50th celebration event on your business social media.
- Do you have other ideas, questions or plan to participate? Contact Casey via phone (207) 951-6297 or email: cfaulkingham@partnersforpeace.org.
